

ENVIRONMENTAL POLICY

Wallington Cars and Couriers Ltd recognises that its business activities interact with the environment in a variety of ways. These activities have a significant impact in the key areas of:

- Consumption of raw materials
- Energy use
- Generation of waste materials

The Company recognises that it has a responsibility to help protect the environment wherever it has an opportunity to do so, be a responsible neighbour and to provide a comfortable environment for its employees to work in.

As such, the Company is committed to:

- Continual improvement in the environmental impact of its business activities
- Minimising pollution
- Complying with all relevant legal, customer, and other third party requirements
- Adopting best practices applicable to its activities wherever practicable

The Company will achieve these commitments by:

- The implementation and maintenance of an Environmental Management System that is independently certified as compliant with ISO 14001:2015
- Employing processes that identify the aspects of the Company's business that have an environmental impact and quantifying the significance of each aspect
- Maintaining an environmental performance improvement programme to enable the objectives to be achieved
- Ensuring that its employees, suppliers and customers are aware of their role in supporting the Company's commitments and environmental objectives
- Training its employees in good environmental protection practices and encouraging employee involvement in environmental improvement initiatives
- Focusing on reducing environmental impact by monitoring the environmental performance of vehicles and maintaining a modern fleet.
- Continually monitoring the environmental impact of its business activities

The implementation of this Environmental Policy is fundamental to the success of the Company's business and must be supported by all employees as an integral part of their daily work.

This Policy is publicly available to interested external parties upon request.
